

ATTENTION PARENTS

As you do your part at home, our faculty and staff members are doing their part every day to help give students an environment to play, create and explore. Earlier this year, Warren CUD 205 was nominated for a *Power a Bright Future* grant from The Clorox Company in hopes of securing up to \$50,000 in funding for iPads or Netbooks.

After a competitive national nomination period, now is the time for our school community to show its support. Help Warren CUD 205 win up to \$50,000 by casting votes starting Oct. 24, 2011 through Dec. 9, 2011. Adults and kids 13 and older can vote online at www.PowerABrightFuture.com for the program they believe is the most deserving of a grant. New this year to the *Power A Bright Future* program, neighbors, friends and family can now vote for their favorite school right from their phones via text message!

The program that receives the highest number of votes will be awarded the \$50,000 grand-prize grant, and the next top vote-getters in the *Play*, *Create* and *Explore* categories respectively will each be awarded a \$25,000 grant. A panel of Clorox judges will also select one additional lucky school to win a \$25,000 judge's choice grant. Visit www.PowerABrightFuture.com for additional details and official rules.

With these easy steps, you'll help give our children access to increased technology with iPads or netbooks.
