News from the Superintendent, Dr. Sirgany:

Buds are starting to show on the trees as warmer weather arrives here in the Midwest. Spring is a time of renewal and a great time to plan for the pleasant days ahead. And the sounds of spring are all around us: the lively chirping of birds, the gentle patter of rain, and “batter UP!” – the sounds of baseball. It is an exciting time for baseball fans as we start all over again rooting for our favorite team and hoping they’ll be the ones to win the World Series come October.

It is hard to believe that this is the last newsletter before the end of the year. The year has gone quickly yet successfully. Our school district continues to make improvements in our facility, in our curriculum, and in our expectations for our students. I have been very impressed with how hard the staff has worked to make this the best school system it can be. I know we have lots of changes ahead as we plan for the closing of ARMS. As hard as we try to think of all contingencies, I am sure there will be some bumps along the way next year.

Prom was scheduled for Saturday, May 1 at Rafters in Lena. The setting will be gorgeous for this time of year. The students seem to love the atmosphere, the food, and the music.

The last day of school has been set as Thursday, May 20. Report cards will be distributed at that time, which means the students will be returning home shortly after receiving their report cards. School will be dismissed at 2:00 on Friday, Monday, and Tuesday, May 15, 17, and 18. Wednesday, May 19 is then scheduled as a Teacher Institute, which means the students will not be in attendance. Graduation is scheduled for Saturday, May 22 at 2:00 p.m. Junior High Awards and Dance is set for Friday, May 14 at 7:00 p.m.

As always, I would like to thank you for your cooperation with the school system. Have an enjoyable summer and check out our online newsletter in the fall.

News from the Jr/Sr High School principal, Mr. Fennell:

I hope everyone has a peaceful and enjoyable summer.

Have a great May!

News from the ARMS principal, Mrs. Calow:

Where did this year go? I just can't believe that it is May and the school year is just about over. It is also a very busy time of year for the students at Apple River Middle School.

The **K-6th Grade Music Concert** will be May 11th at 7:00 PM with practice in the afternoon. The 4-6th graders will all be dismissed from Warren on that day. I've been hearing the students practicing their songs and I can tell you it is going to be a great concert. My toes start tapping as soon as the music starts.

May 12th will be the **PTO Thank You Dinner** at 6:30 in Warren. I encourage anyone who has helped out to come and enjoy the meal and meeting. Childcare will be provided.

May 13th will be the **Farewell to ARMS Open House and Potluck**. The school will be open for tours from 6:00-6:30. There will be a potluck from 6:30-7:30 and a brief presentation will follow with cake at 7:30-8:00. We would love to see everyone at ARMS on the 13th. **Please RSVP at the school office if you plan to attend.**

May 14th the students who met their **Read and Roll** reading pages will go to the **Skate Station** in Elroy. There will also be a 2:00 dismissal on that day for all students. Students will also be dismissed at 2:00 on May 17th and 18th.

ARMS Idol is back on May 17th. The kids at ARMS are all abuzz with their dance moves and lip synching abilities. This is always a highlight of the year. Who knows maybe there will even be some surprises this year!

Our **School Picnic Day** is on the 18th. Please remind your child to wear comfy shoes so they can participate in all of the fun. This is another day that the kids really enjoy. Let's hope we have some warm weather.

The **last day for students** is May 20th. This is our quick report card day. It is also a day that the teachers will be packing up from ARMS. If there are any high school students that would like to get some of their **community service hours** in please have them contact Mrs. Calow. I am sure I have some teachers that would love assistance.

Have a safe summer. Remind your student to get a book out to read and don't forget to sneak in some math practice when you get the chance. 90 plus days off of school for summer break is a lot. **Students, who do continue to read, write, and work on math facts will be prepared when they return to school in the fall.**

PTO News

The monthly PTO meeting was held on Tuesday, April 13, 2010 in the Board Room of the Warren School. The Treasurer's Report was incomplete with an approximate checking account balance of \$11,000. There were various expenses for class fieldtrips and payment to the Square 1 Art Company.

The group wrapped up discussion on the Easter Egg Hunt. The event went very well with approximately 100 children in attendance. The weather was nice so we were able to have it at the park. Due to the roof on the shelter house being repaired, the location of the hunt was moved slightly. The group felt that the new location worked well and should be repeated for next year. Two gold dollars were awarded in each of the three age groups. Darren Stiefel was the Easter Bunny this year and did a great job! Thank you Darren! Terri Stiefel also helped with taking pictures and distributing the gold dollars. Thank you to Terri and all the other parents and students who helped make this event a success! It was a fun afternoon!

There were two PTO sponsored student assemblies held since the last meeting. Both events went well. The author, Craig Pierce, was very well received. The students seemed to really like his discussion and slide show. He brought his Greyhound dog, Honey, with him too. The students especially liked to watch Honey throughout the presentation and then pet him at the end. The second assembly was with Steve Belliveau who did a science presentation called "Getting Excited About Science". He discussed and then demonstrated several scientific principles in front of the students. Everyone seemed to really enjoy the show. The PTO is pleased to be able to bring these experiences to our students. This is all made possible by parent and teacher support and successful fundraising efforts!

Information has been sent out to parents in regards to the student summer enrichment programs at University of Dubuque and University of Wisconsin-Platteville. Students who complete one of these programs over the upcoming summer will be reimbursed a portion of their tuition by the PTO. Becky Riedl is the coordinator for this project and has done a great job. Thank you, Becky!

Planning for the upcoming PTO Spring Fling dance continued this month. The dance will be on Friday, April 30th from 7:00 to 9:00 p.m. in the Multipurpose Room. Travus Albrecht will be the DJ. There will be a Sweet Stand in the Commons and also prizes will be given away throughout the night. This should be a fun time for all who attend. We hope to see you there!

There were several miscellaneous topics discussed next.

- The group voted to donate \$100 to both Warren Elementary and ARMS for their end of the year picnic.
- The group also agreed to donate \$100 to the "Juvenile Justice Foundation" golf outing that will be on May 2. Bryan Bohnsack made this request. The foundation provides educational opportunities for our students throughout the year delivering information on topics such as bullying and drugs.
- Teacher stipends will be distributed on Tuesday, May 4. The PTO will also provide light snacks for the teachers this day.
- The PTO will conduct the Innisbrook fundraiser again in the Fall of 2010 and agreed to sign on early to receive the incentive awards offered by the company.
- The PTO will give Morghan Mahoney and Jessica Williams a \$25 scrip as a thank you for providing free babysitting during our monthly meetings.
- The group is discussing quarterly family activity nights next school year. More information on this will follow.
- Incentive to increase meeting and general PTO participation was discussed. Several good ideas were brought to the table. This discussion will continue next month.
- Connie Hill brought an example of a magnetic calendar the PTO is considering purchasing for all our students and faculty next school year. This will also be discussed and hopefully finalized next month.

The next PTO meeting will be on Tuesday, May 12 at 6:30 p.m. It will be held in the Literacy Room of the Warren School as the faculty from ARMS will provide food and drink to all who attend. We invite anyone who helped the PTO in any way this school year to join us for food, drink and conversation. A brief meeting will follow the meal.

Fitness Level Measurement

The *3-Minute Step Test* measures your aerobic or cardiovascular fitness level based on how quickly your heart rate returns to normal after exercise. Students stepped on a 12-inch step up and down for three minutes. The fitter you are, the quicker your heart rate will return to normal after exercise. Below are some outstanding Step scores. I am very proud to say we have healthy hearts at Warren Jr. -Sr. High!

PICKLEBALL

The mini-tennis game called Pickleball was created in 1965. The purpose of the game was to provide a sport for an entire family. Pickles was the name of the family dog who would chase after errant balls. Thus, Pickle's ball was later shortened to the namesake of Pickleball. It is played with paddles and a whiffleball over a low net with rules which are similar to tennis. Congratulations to the following Doubles Champions!!

HSPE & Strength Training classes @ UW Platteville's
High Ropes Course!

Our classes went on a field trip to the Pioneer Activity Center (PAC) in Williams Field House at UW Platteville. The Ropes and Challenge course is a blend of high and low activities presented in a prescribed sequence designed to take individuals and groups beyond their expectations or perceived limit. Physical Education majors from the University teach the teambuilding sessions. The high ropes certainly are a challenge and our students stepped up to meet that challenge. Students were encouraged to challenge themselves in both a physically and a mentally safe environment. Cooperation, communication, problem solving, confidence, mutual support and sense of personal achievement are some of the factors that this field trip fostered.

Our students were outstanding and we are proud of you!!

WARREN PHYSICAL FITNESS ASSESSMENT

Congratulations to the following students who achieved five out of six, or all six standards for the WPFA!! We raised our standards in the Vertical Jump and Push-ups!! Students who achieved the highest standards for both semesters will have their names engraved on a plaque which hangs in the lobby of our gymnasium.
