*** Please label these items with your child's name

In response to COVID-19, the school supply list may alter throughout the year as classrooms adapt to fulfill the necessary requirements as described in the Return-to-School plan. We apologize for any inconvenience. For snacks, please only send snacks in individual daily packets. There will not be common storage areas for students to store snacks this school year.

In addition to the above supplies, students are asked to bring at least 3 cloth masks to be taken home daily to be washed.

ALL students are also asked to bring a clear water bottle because the drinking fountains are being replaced with bottle fillers.
