IN-PERSON COMMITMENT LETTER

Warren CUSD 205 is committed to the health and safety of all of our students, faculty, and staff. We are asking that the following IDPH and ISBE guidelines be followed by all students while they are present for in-person learning this year:

- Preventative measures taken to attempt to keep supplies with only one student. If any supplies require sharing, they will be sanitized between uses;
- Face coverings (not face shields) worn correctly at all times when inside unless exception noted by ISBE/IDPH guidance. Students outside and social distanced may take off their face coverings. Students will also take them off for eating and drinking. Students may take them off if required when playing an instrument. Refusal to wear a mask correctly will lead to the student being placed in the Remote Learning Program. Students are expected to provide and wear their own mask; however replacements will be available;
- Families to conduct symptom screenings and temperature checks daily to self-certify that students are free of symptoms and a temperature less than 100.4 degrees Fahrenheit/38 degrees Celsius daily before the student leaves the house for school. Temperatures will be taken as students enter the school for a second reading;
- Locker rooms will not be made available during the traditional school day and students will only change their shoes for physical education;
- Students and staff will only use the water bottle filler portion of the water fountains. Drinking directly from the water fountain will be prohibited;
- Students will wash hands before and after recess. The playground equipment will be monitored limiting the amount of students using the equipment to allow for social distance. Only equipment and items that can be cleaned after each use will be utilized;
- Guidelines may change at the discretion of the school district due to continuous contact with the Jo Daviess County Health Department, IDPH, and/or ISBE.

By signing below you are agreeing to follow the above guidelines, in addition to those in the Warren CUSD 205 Return-to-School Plan while in attendance during the school day. Failure to follow the guidelines may result in enrollment of remote learning.
